AMERICA

My country, 'tis of thee,
Sweet land of liberty,
Of Thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain side,
Let freedom ring.

Our fathers' God to Thee,
Author of liberty,
To Thee we sing;
Long may our land be bright
With freedom's holy light,
Protect us by Thy might,
Great God, our King.

ALMA MATER

Once more as we gather today,
To sing our Alma Mater's praise.
And join in the fellowship strong
Which inspires our college days,
We're backing our men in the strife,
Cheering them to victory!
And pledge anew to old Connecticut,
Our steadfast spirit of loyalty.

When time shall have severed us far,
And the years their changes bring,
The thought of the college we love,
In our memories will cling,
For friendships that ever remain
And associations dear,
We'll raise a song to old Connecticut,
And join our voices in one long cheer.

Chorus:

Connecticut, Connecticut!
Thy sons and daughters true
Unite to honor thy name,
Our fairest White and Blue.

CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students being clerics were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institutions. Hoods are lined with the college colors and are trimmed with the color appropriate to the degree:

Agriculture	Maize
Arts and Letters	White
Business	Drab
Divinity	Scarlet
Education	Light Blue
Engineering	Orange
Fine Arts or Architecture	Brown
Forestry	Russet
Law	Purple
Medicine	Green
Music	Pink
Nursing	Apricot
Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Health	Salmon Pink
Science	Golden Yellow
Social Work	Citron

Caps are usually black, but the tassel may be of the color distinctive of the degree, except that the tassel for the Bachelor of Arts, Science, and Engineering is black, while the tassel for the Doctor of Philosophy is made of gold thread.

THE MACE

THE MACE, carried by Professor Paul Nason Taylor, Secretary of the University Senate, was first used at the Inauguration of President Babbidge. The University's Mace was designed by Associate Professor Nathan Knobler, Head of the Department of Art, and is beautifully carved. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.
