## AMERICA

My country, 'tis of thee,  
Sweet land of liberty,  
Of Thee I sing;  
Land where my fathers died,  
Land of the pilgrims' pride,  
From every mountain side,  
Let freedom ring.

Our fathers' God to Thee,  
Author of liberty,  
To Thee we sing;  
Long may our land be bright  
With freedom's holy light,  
Protect us by Thy might,  
Great God, our King.

## ALMA MATER

Once more as we gather today,  
To sing our Alma Mater's praise,  
And join in the fellowship strong  
Which inspires our college days,  
We're backing our men in the strife,  
Cheering them to victory!  
And pledge anew to old Connecticut,  
Our steadfast spirit of loyalty.

When time shall have severed us far,  
And the years their changes bring,  
The thought of the college we love,  
In our memories will cling,  
For friendships that ever remain  
And associations dear,  
We'll raise a song to old Connecticut,  
And join our voices in one long cheer.

Chorus:

Connecticut, Connecticut!  
Thy sons and daughters true  
Unite to honor thy name,  
Our fairest White and Blue.

## THE MACE

THE MACE, carried by Professor Paul Nason Taylor, Secretary of the University Senate, was first used at the Inauguration of President Babbidge. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.

## THE PROCESSIONAL

In the processional the candidates of each School and College are led by a faculty member serving as an assistant marshal and wearing a blue beekeeper cap. Immediately behind the assistant marshal is a faculty appointed student representative carrying the School or College banner. The faculty and trustees are led by the chief marshal, Professor Edward V. Gant.

The banner colors identifying the candidate groups are as follows:

College and School of Agriculture .....	Brown and Yellow

## CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students being clerics were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institutions. Hoods are lined with the college colors and are trimmed with the color appropriate to the degree:

Agriculture .....	Maize
Arts and Letters .....	White
Business .....	Drab
Divinity .....	Scarlet
Education .....	Light Blue
Engineering .....	Orange
Fine Arts or Architecture .....	Brown
Forestry .....	Russet
Law .....	Purple
Medicine .....	Green
Music .....	Pink
Nursing .....	Apricot
Pharmacy .....	Olive Green
Philosophy .....	Dark Blue
Physical Education .....	Sage Green
Public Health .....	Salmon Pink
Science .....	Golden Yellow
Social Work .....	Citron

Caps are usually black, but the tassel may be of the color distinctive of the degree, except that the tassel for the Bachelor of Arts, Science, and Engineering is black, while the tassel for the Doctor of Philosophy is made of gold thread.

## THE MEDALLION

President Homer D. Babbidge, Jr. will wear, for the first time, and on the occasion of the silver anniversary of the University of Connecticut, a silver medallion representing the seal of the University.
