## THE MACE

THE MACE, carried by Professor Paul Nason Taylor, Secretary of the University Senate, was first used at the Inauguration of President Babbidge. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.

## THE PROCESSIONAL

In the processional the candidates of each School and College are led by a faculty member serving as an assistant marshal and wearing a blue befeater cap. Immediately behind the assistant marshal is a faculty appointed student representative carrying the School or College banner. The faculty and trustees are led by the chief marshal, Professor Edward V. Gant.

The banner colors identifying the candidate groups are as follows:

## CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students being clerics were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institutions. Hoods are lined with the college colors and are trimmed with the color appropriate to the degree:

Agriculture .....	Maize
Arts and Letters .....	White
Business .....	Drab
Divinity .....	Scarlet
Education .....	Light Blue
Engineering .....	Orange
Fine Arts or Architecture .....	Brown
Forestry .....	Russet
Law .....	Purple
Medicine .....	Green

## THE MEDALLION

The Silver Medallion worn by President Homer D. Babbidge, Jr., was first used at the time of the University's Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University's Schools or Colleges. Each link consists of a cloisssonne circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.
