THE MACE, carried by Professor Paul Nason Taylor, Secretary of the University Senate, was first used at the Inauguration of President Babbidge. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.

CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students being clerics were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institutions. Hoods are lined with the college honors and are trimmed with the color appropriate to the degree:

Agriculture	Maize
Arts and Letters	White
Business	Drab
Dental Medicine	Lilac
Divinity	Scarlet
Education	Light Blue
Engineering	Orange
Fine Arts or Architecture	Brown
Forestry	Russet
Law	Purple
Medicine	Green
Music	Pink
Nursing	Apricot
Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Health	Salmon Pink
Science	Golden Yellow
Social Work	Citron

Caps are usually black, but the tassel may be of the color distinctive of the degree, except that the tassel for the Bachelor of Arts, Science, and Engineering is black, while the tassel for the Doctor of Philosophy is made of gold thread.

THE MEDALLION

The Silver Medallion worn by President Homer D. Babbidge, Jr., was first used at the time of the University's Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University's Schools or Colleges. Each link consists of a cloisssonne circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.
