At the University Commencement the University Marshal and his assistant wear marshals' ceremonial gowns of blue and white. The School and College Marshals and their aides are wearing blue beekeeper caps.

CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students being clerics were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institutions. Hoods are lined with the college honors and are trimmed with the color appropriate to the degree:

Agriculture	Maize	Medicine	Green
Arts and Letters	White	Music	Pink
Business	Drab	Nursing	Apricot
Dental Medicine	Lilac	Pharmacy	Olive Green
Divinity	Scarlet	Philosophy	Dark Blue
Education	Light Blue	Physical Education ...	Sage Green
Engineering	Orange	Public Health	Salmon Pink
Fine Arts or Agriculture ..	Brown	Science	Golden Yellow
Forestry	Russet	Social Work	Citron
Law	Purple		

Caps are usually black. The tassel for the Bachelor of Arts, Science and Engineering may be of the color distinctive of the degree, but the tassel for the Doctor of Philosophy is made of gold thread.

THE MACE

THE MACE, carried by Professor Fred A. Cazel, Executive Secretary of the University Senate Executive Committee, was first used at the Inauguration of President Babbidge. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.

THE BATON

THE BATON, carried by the University Marshal, Professor Max B. Thatcher, was specifically designed for ceremonial activities at The University of Connecticut and was first used at Commencement in 1968. The office of Marshal can be traced back to the medieval period, and the Baton is a symbol of the Marshal's authority. He carries it as he leads the academic procession into and out of the place of the ceremony.

THE MEDALLION

THE SILVER MEDALLION, worn by President Homer D. Babbidge, Jr., was first used at the time of the University's Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University's Schools or Colleges. Each link consists of a cloisonne circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.
