## CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students being clerics were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institutions. Hoods are lined with the college honors and are trimmed with the color appropriate to the degree:

Agriculture .....	Maize	Medicine .....	Green
Arts and Letters .....	White	Music .....	Pink
Business .....	Drab	Nursing .....	Apricot
Dental Medicine .....	Lilac	Pharmacy .....	Olive Green
Divinity .....	Scarlet	Philosophy .....	Dark Blue
Education .....	Light Blue	Physical Education .....	Sage Green
Engineering .....	Orange	Public Health .....	Salmon Pink
Fine Arts or Agriculture .....	Brown	Science .....	Golden Yellow
Forestry .....	Russet	Social Work .....	Citron
Law .....	Purple		

Caps are usually black. The tassel for the Bachelor of Arts, Science, and Engineering may be of the color distinctive of the degree, and the tassel for the Doctor of Philosophy may be made of gold thread.

## THE MACE

THE MACE, carried by Professor Fred A. Cazel, Chairman of the University Senate Executive Committee, was first used by the President of the University in 1962. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.

## THE BATON

THE BATON, carried by the University Marshal, Professor Max B. Thatcher, was specifically designed for ceremonial activities at The University of Connecticut and was first used at Commencement in 1968. The office of Marshal can be traced back to the medieval period, and the Baton is a symbol of the Marshal's authority. He carries it as he leads the academic procession into and out of the place of the ceremony.

## THE MEDALLION

THE SILVER MEDALLION, worn by President Glenn W. Ferguson, was first used at the time of the University's Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University's Schools or Colleges. Each link consists of a cloisonne circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.
