COMMENCEMENT PROGRAM NOTES

The names in this program do not constitute an official list. The students whose names are listed herein were considered candidates for the degree indicated when the program was printed.

With Distinction

The designation for students who, in three to six hours of seminar courses and an examination near the close of their senior year, gave evidence of attainment in their major fields.

With Honors

A Degree with Honors is the highest scholastic honor for undergraduates, next to University Scholar. Honors Scholars complete a rigorous academic schedule, with at least twelve Honors credits in their majors, including a senior thesis, research report or examination.

University Scholars

The highest scholastic honor offered by the University. For this graduating class the maximum number of scholars authorized was thirty. The program involves special studies under the supervision of a faculty committee chosen for each of the scholars.

THE PROCESSIONAL

In the processional faculty appointed student representatives will carry the School or College banner.

The banner colors identifying the candidate groups are as follows:

College and School of Agriculture	Brown and Yellow
School of Allied Health Professions	Red
School of Business Administration	Almond
School of Dental Medicine	Lilac and Gold
School of Education	Light Blue
School of Engineering	Orange
School of Fine Arts	Brown and Pink
The Graduate School	
Masters Candidates	Blue, White and Gold
Doctor of Philosophy	Gold
School of Home Economics	Maroon
School of Insurance	Almond and Gold
School of Law	Purple
College of Liberal Arts and Sciences	White and Yellow
School of Medicine	Green and Gold
School of Nursing	Apricot
School of Pharmacy	Olive

At the University Commencement the University Marshal and the Assistant Marshal wear marshals' ceremonial gowns of blue and white. The School and College Marshals and their aides wear blue befeater caps.

CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students being clerics were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institutions. Hoods are lined with the college honors and are trimmed with the color appropriate to the degree:

Agriculture	Maize	Medicine	Green
Arts and Letters	White	Music	Pink
Business	Drab	Nursing	Apricot
Dental Medicine	Lilac	Pharmacy	Olive Green
Divinity	Scarlet	Philosophy	Dark Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Health	Salmon Pink
Fine Arts or Agriculture	Brown	Science	Golden Yellow
Forestry	Russet	Social Work	Citron
Law	Purple		

Caps are usually black. The tassel for the Bachelor of Arts, Science, and Engineering may be of the color distinctive of the degree, and the tassel for the Doctor of Philosophy may be made of gold thread.

THE MACE

THE MACE, carried by Professor Victor E. Scottron, Chairman of the University Senate Executive Committee, was first used by the President of the University in 1962. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.

THE BATON

THE BATON, carried by the University Marshal, Professor Max B. Thatcher, was specifically designed for ceremonial activities at The University of Connecticut and was first used at Commencement in 1968. The office of Marshal can be traced back to the medieval period, and the Baton is a symbol of the Marshal's authority. He carries it as he leads the academic procession into and out of the place of the ceremony.

THE MEDALLION

THE SILVER MEDALLION, worn by President Glenn W. Ferguson, was first used at the time of the University's Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University's Schools or Colleges. Each link consists of a cloisonné circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.
