## COMMENCEMENT PROGRAM NOTES

The names in this program do not constitute an official list. The students whose names are listed herein were considered candidates for the degree indicated when the program was printed.

---

### *With Distinction*

The designation for students who, in three to six hours of semester courses and a department examination, give evidence of attainment in their major fields.

### *Honors Scholars*

Students in the University Honors Program are designated Honors Scholars when they complete a rigorous 2 to 4-year academic program and a senior thesis in the major field. This is the highest academic honor for undergraduates, next to University Scholars.

### *University Scholars*

The highest scholastic honor offered by the University. From this graduating class twenty-two students were named University Scholars. Their academic programs involve individualized studies under the supervision of a faculty committee.

## RETIRING MEMBERS OF THE PROFESSIONAL STAFF

RONALD S. BRAND, Professor of Mechanical Engineering and Coordinator of Academic Planning—  
April 1, 1946 to October 1, 1979

I. ESTHER BROWN, University Librarian III, School of Law—  
September 16, 1960 to August 1, 1978

DAVID G. EDENS, Associate Professor of Economics—  
September 16, 1962 to October 1, 1979

ALBERT B. GRAY, Tolland County Extension Agent—  
July 1, 1949 to January 1, 1979

HEINZ HERRMANN, Professor of Biology—  
September 16, 1959 to October 1, 1979

MARJORIE INMAN, Associate Home Demonstration Agent in Windham County—  
January 1, 1961 to February 1, 1979

EDGAR P. JAYNE, Professor of Allied Health Professions—  
September 16, 1953 to October 1, 1978

JOHN KELLEHER, Director of Personnel at the Health Center—  
June 1, 1949 to January 26, 1965  
December 1, 1967 to March 31, 1979

IRWIN LEPOW, Professor and Head of the Department of Medicine at The University of Connecticut Health Center  
September 1, 1967 to September 30, 1978

MARTHA LEPOW, Professor of Pediatrics at the Health Center—  
August 1, 1967 to December 31, 1978

HAROLD M. LUCAL, Associate Professor of Electrical Engineering—  
September 1, 1953 to October 1, 1979

WILLIAM MURPHY, Assistant Professor of Mathematics, Stamford Branch—  
September 16, 1962 to October 1, 1979

MAX PUTZEL, Associate Professor of English—  
September 16, 1957 to October 1, 1979

JOHN SCARCHUK, Lecturer in Plant Science—  
October 1, 1946 to January 1, 1979

ANTHONY TERENCE, Professor of Art—  
September 16, 1955 to October 1, 1979

CHARLES E. WARING, Professor of Chemistry—  
August 16, 1947 to April 1, 1979

## THE PROCESSIONAL

In the processional, faculty-appointed student representatives will carry the School or College banner.

The banner colors identifying the candidate groups are as follows:

College and School of Agriculture .....	Brown and Yellow
School of Allied Health Professions .....	Green
School of Business Administration .....	Almond
School of Dental Medicine .....	Lilac and Gold
School of Education .....	Light Blue
School of Engineering .....	Orange
Division of Extended and Continuing Education ..	Blue and Brown
School of Fine Arts .....	Brown and Pink
The Graduate School	
Masters Candidates .....	Blue, White and Gold
Doctor of Philosophy .....	Gold
School of Home Economics and Family Studies ..	Maroon
School of Law .....	Purple
College of Liberal Arts and Sciences .....	White and Yellow
School of Medicine .....	Green and Gold
School of Nursing .....	Apricot
School of Pharmacy .....	Olive

At the University Commencement the University Marshal and the Assistant Marshal wear marshals' ceremonial gowns of blue and white. The School and College Marshals and their aides wear blue beefeater caps.

## CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students, being clerics, were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institutions. Hoods are lined with the college colors and are trimmed with the color appropriate to the degree:

Agriculture .....	Maize	Medicine .....	Green
Arts and Letters .....	White	Music .....	Pink
Business .....	Drab	Nursing .....	Apricot
Dental Medicine .....	Lilac	Pharmacy .....	Olive Green
Divinity .....	Scarlet	Philosophy .....	Dark Blue
Education .....	Light Blue	Physical Education ..	Sage Green
Engineering .....	Orange	Public Health .....	Salmon Pink
Fine Arts .....	Brown	Science .....	Golden Yellow
Forestry .....	Russet	Social Work .....	Citron
Law .....	Purple		

Caps are usually black. The tassel for the Bachelor of Arts, Science, and Engineering may be of the color distinctive of the degree, and the tassel for the Doctor of Philosophy may be made of gold thread.

## THE MACE

THE MACE, carried by Professor Fred A. Cazal, Jr., Moderator of the University Senate, was first used in 1962. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.

## THE BATON

THE BATON, carried by the University Marshal, Professor Max B. Thatcher, was specifically designed for ceremonial activities at The University of Connecticut and was first used at the Commencement in 1968. The Office of Marshall can be traced back to the medieval period, and the Baton is a symbol of the Marshal's authority. He carries it as he leads the academic procession into and out of the place of the ceremony.

## THE MEDALLION

THE SILVER MEDALLION, worn by Edward V. Gant, Acting President, was first used at the time of the University's Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University's Schools or Colleges. Each link consists of a cloisonne circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.

# THE UNIVERSITY OF CONNECTICUT NINETY-SIXTH COMMENCEMENT

May 20, 1979

Mace

COMMENCEMENT DAY at The University of Connecticut is a time of ceremony and pageantry, some of it representing traditions dating back to medieval times. These notes on the history of the University and the commencement ceremony are offered in the hope that they will be of interest to the spectators, particularly those who may never have viewed the event previously.

THE UNIVERSITY OF CONNECTICUT WAS FOUNDED as the Storrs Agricultural School in 1881 and its name was changed to the Storrs Agricultural College in 1893 at the time it became a land-grant college. In 1933 it became the Connecticut State College, and in 1939 the present name, The University of Connecticut, became official. In addition to the main campus at Storrs, there are the Schools of Law and Social Work on a new campus in West Hartford and the Schools of Medicine and Dental Medicine in Farmington. There are five two-year branches located in Hartford, Stamford, Torrington, Waterbury, and Avery Point, Groton (Southeastern). In addition, the University operates a Marine Research Laboratory at Noank, an Institute of Marine Research at Avery Point, and agricultural extension offices in Brooklyn, Danbury, Haddam, Hartford, Litchfield, Norwich, Rockville, Storrs, and Wallingford.

The University has an enrollment of over 22,000 students. At Storrs there are over 12,500 undergraduates and more than 3,300 graduate students, representing, in addition to the students from the United States, some fifty nations. The organization of the University as a whole includes sixteen different schools and colleges and the Graduate School.

This year the University will award over 5,000 degrees. Of these approximately 3,300 are bachelor's degrees, 1,200 master's degrees, 200 law degrees, 45 dental degrees, 85 medical degrees, and 200 doctor of philosophy degrees. Also to be awarded are 60 certificates in the two-year Ratcliffe Hicks School of Agriculture.

THE COMMENCEMENT CEREMONY, due to the size of the graduating class, has now been divided into three parts. Two morning ceremonies are devoted to the awarding of bachelor's degrees and certificates. One, starting at 10:30 a.m., is held for the College of Liberal Arts and Sciences in the Auditorium. The other, starting at 11:00 a.m., is held for all other undergraduate schools and colleges in the Field House. These different starting times enable certain officials to be present at both ceremonies. The president, the governor, the speaker, and others open the proceedings in the Auditorium and then move to the Field House. A third ceremony, for the Graduate School, School of Medicine, and School of Dental Medicine is held at 3:00 p.m. in the Auditorium. A fourth ceremony for the School of Law is held, also in the Auditorium, at 7:00 p.m.

THE PROCESSION in the morning begins with the candidates for graduation entering both the Auditorium and the Field House. Each ceremony, as well as the graduate ceremony in the afternoon, is heralded by the ceremonial trumpets which were obtained especially for the University commencement. Banners, carried by student marshals, precede the students into the areas of the ceremonies. These banners, having the colors of each school and college, were also designed specifically for the commencement.

The appearance of the bearer of the mace\* signals the start of the academic procession. The University marshal, carrying the baton,\* leads the president, governor, provost, speaker, the Board of Trustees, clergymen, deans, other University officials, and the faculty, and their appearance on the stage is the signal for the ceremonies to begin.

THE ACADEMIC GOWNS, HOODS, AND REGALIA represent more than elegance or colorful attire. The medallion\* worn by the president was especially designed for University ceremonies. The gowns and hoods of the University marshal and the assistant marshal were also made specifically for University ceremonies and represent the official colors of national flag blue and white. The blue velvet "beefeater" hats are worn by the marshals who assist in conducting the ceremonies.

Academic gowns represent a tradition that began in the medieval period, and they were most practical in university buildings which were well known for their lack of proper heating.

The bachelor's gown is a full length robe with long sleeves and closes in the front.

The master's gown is made somewhat fuller, and has elbow length sleeves. A hood is worn over the shoulders and the colors represent both the university and the field of scholarship.

*\*See official program for description*

The doctor's gown is again somewhat fuller in design and has full and long sleeves. The gown may, or may not, close in front depending upon the design. The velvet band around the neck and down the opening in the front of the gown may be in black, or it may be a color to represent the area of learning. In addition, there are velvet bars on the sleeves. The hood is bordered with velvet, the color of the velvet representing the field of scholarship. The lining, often with large chevron, bears the colors of the university from which the wearer received his degree. (Some of these colors of scholarship are listed in the official program.)

THE AWARDING OF DEGREES at The University of Connecticut is accomplished by a two-fold process. First, the candidates for degrees proceed to the platform, are congratulated by the administrative officers of their school or college, and return to their seats. They are then officially presented by the dean and the marshal of the appropriate school or college. Second, when all candidates have been duly presented, the President of the University formally confers the degree. This is accomplished verbally at the time that he speaks the words:

"By virtue of the authority vested in me by the Trustees of The University of Connecticut, *and subject to due confirmation*, I confer upon you the Certificate, appropriate Bachelor's Degree, Master's Degree, Juris Doctor, Doctor of Dental Medicine, Doctor of Medicine, or Doctor of Philosophy for which you have been presented at this Ninety-sixth Commencement of the University."

THE RECESSIONAL of officials and faculty move through the graduates who, along with the audience, remain in their places until the ceremony is thus concluded.

THE SEATING OF THE CANDIDATES is arranged as follows:

- (a) In the Auditorium in the morning, all students of the College of Liberal Arts and Sciences are seated in the three sections across the front of the Auditorium.
- (b) In the Field House in the morning, the students are seated according to the school or college from which they are graduating.
- (c) In the Auditorium in the afternoon, the candidates of the Graduate, Medical, and Dental Schools are arranged (facing the stage) as follows:

Doctor of Philosophy — center section

Doctor of Medicine — center section

Doctor of Dental Medicine — center section

Master of Arts, Master of Social Work, Master,

of Public Affairs, Master of Fine Arts, Master

of Music, Master of Dental Science — left section

Master of Science, Master of Business Administration, —  
right section

THE SEATING OF THE ADMINISTRATION AND FACULTY is as follows:

- (a) In the Auditorium, the University officials, members of the Board of Trustees, and participants in the ceremony, are seated on stage, while the members of the faculty are arranged in tiers behind them.
- (b) In the Field House, the University officials, members of the Board of Trustees, and participants in the ceremony are seated on the platform, while the members of the faculty are arranged on each side of the platform.
