COMMENCEMENT PROGRAM NOTES

With Distinction

"With Distinction" is the University's designation for degrees earned by students who give evidence of significant achievement in their major fields.

Honors Scholars

Honors Scholars are outstanding students who complete intensive two- to four-year programs, including honors courses of unusual breadth and depth. Honors requirements include a senior thesis or comprehensive examination in the major field.

University Scholar

The University Scholar designation is the highest scholastic honor at the University. The individualized undergraduate programs of these students, which in some cases include work toward a graduate degree, are supervised by faculty committees. In this graduating class seventeen students were named University Scholars in the junior year.

The names in this program do not constitute an official list. The students whose names are listed herein were considered candidates for the degree indicated when the program was printed, except where a prior date of graduation (August 31 or December 31, 1981) is given.

THE PROCESSIONAL

In the processional, student representatives will carry their School or College banner.

The banner colors identifying the candidate groups are as follows:

College and School of Agriculture	Brown and Maize
School of Allied Health Professions	Red
School of Business Administration	Drab Green
School of Dental Medicine	Lilac and Gold
School of Education	Light Blue
School of Engineering	Orange
Division of Extended and Continuing Education	Brown and Blue
School of Fine Arts	Brown and Pink
The Graduate School	
Masters Candidates	Blue, White and Gold
Doctor of Philosophy	Gold
School of Home Economics and Family Studies	Maroon
School of Law	Purple
College of Liberal Arts and Sciences	White and Yellow
School of Medicine	Green and Gold
School of Nursing	Apricot
School of Pharmacy	Green

At the University Commencement the University Marshal wears a ceremonial gown of blue and white.
The School and College Marshals wear blue beekeeper caps.

CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students, being clerics, were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institutions. Hoods are lined with the college colors and are trimmed with the color appropriate to the degree:

Agriculture.....	Maize	Law	Purple
Arts, Letters, and Humanities.....	White	Medicine	Green
Business.....	Drab	Music	Pink
Dental Medicine.....	Lilac	Nursing	Apricot
Theology.....	Scarlet	Pharmacy	Olive Green
Education.....	Light Blue	Philosophy.....	Dark Blue
Engineering	Orange	Physical Education	Sage Green
Fine Arts.....	Brown	Public Health	Salmon Pink
Forestry.....	Russet	Science	Golden Yellow
Home Economics and Family Studies..	Maroon	Social Work	Citron

Caps are usually black. The tassel for the Bachelor of Arts, Science, and Engineering may be of the color distinctive of the degree, and the tassel for the Doctor of Philosophy may be made of gold thread.

THE MACE

THE MACE, carried by Professor Fred A. Cazel, Jr., Moderator of the University Senate, was first used in 1962. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.

THE BATON

THE BATON, carried by the University Marshal, Professor Max B. Thatcher, was specifically designed for ceremonial activities at The University of Connecticut and was first used at the Commencement in 1968. The Office of Marshal can be traced back to the medieval period, and the Baton is a symbol of the Marshal's authority. He carries it as he leads the academic procession into and out of the place of ceremony.

THE MEDALLION

THE SILVER MEDALLION, worn by John A. DiBiaggio, President, was first used at the time of the University's Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University's Schools or Colleges. Each link consists of a cloisonné circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.
