THE PROCESSIONAL

In the processional, student representatives will carry their School or College banner.

The banner colors identifying the candidate groups are as follows:

College and School of Agriculture Brown and Maize
School of Allied Health Professions Red
School of Business Administration Drab Green
School of Dental Medicine Lilac and Gold
School of Education Light Blue
School of Engineering Orange
Division of Extended and Continuing Education Brown and Blue
School of Family Studies Maroon
School of Fine Arts Brown and Pink
The Graduate School
Masters Candidates Blue, White and Gold
Doctor of Philosophy Gold
School of Law Purple
College of Liberal Arts and Sciences White and Yellow
School of Medicine Green and Gold
School of Nursing Apricot
School of Pharmacy Green

At the University Commencement the University Marshal wears a ceremonial gown of blue and white.
The School and College Marshals wear blue beekeeper caps.

CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students, being clerics, were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institution. Hoods are lined with the college colors and are trimmed with the color appropriate to the degree:

Agriculture.....	Maize	Medicine.....	Green
Arts, Letters, and Humanities.....	White	Music.....	Pink
Business.....	Drab	Nursing.....	Apricot
Dental Medicine.....	Lilac	Pharmacy.....	Olive Green
Education.....	Light Blue	Philosophy.....	Dark Blue
Engineering.....	Orange	Physical Education.....	Sage Green
Family Studies.....	Maroon	Public Health.....	Salmon Pink
Fine Arts.....	Brown	Science.....	Golden Yellow
Forestry.....	Russet	Social Work.....	Citron
Law.....	Purple	Theology.....	Scarlet

Caps are usually black. The tassel for the Bachelor of Arts, Science, and Engineering may be of the color distinctive of the degree, and the tassel for the Doctor of Philosophy may be made of gold thread.

THE MACE

THE MACE, carried by Professor Fred A. Cazel, Jr., Moderator of the University Senate, was first used in 1962. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.

THE BATON

THE BATON, carried by the University Marshal, Professor Max B. Thatcher, was specifically designed for ceremonial activities at The University of Connecticut and was first used at the Commencement in 1968. The Office of Marshal can be traced back to the medieval period, and the Baton is a symbol of the Marshal's authority. He carries it as he leads the academic procession into and out of the place of ceremony.

THE MEDALLION

THE SILVER MEDALLION, worn by John A. DiBiaggio, President, was first used at the time of the University's Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University's Schools or Colleges. Each link consists of a cloisonné circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.
