## COMMENCEMENT PROGRAM NOTES

### *With Distinction*

"With Distinction" is the University's designation for degrees earned by students who give evidence of significant achievement in their major fields.

### *Honors Scholars*

Honors Scholars are outstanding students who complete intensive two- to four-year programs, including honors courses of unusual breadth and depth. Honors requirements include a senior thesis or comprehensive examination in the major field.

### *University Scholar*

The University Scholar designation is the highest scholastic honor at the University. The individualized undergraduate programs of these students, which in some cases include work toward a graduate degree, are supervised by faculty committees. In this graduating class seventeen students were named University Scholars in the junior year.

---

The names in this program do not constitute an official list. The students whose names are listed herein were considered candidates for the degree indicated when the program was printed, except where a prior date of graduation (August 31 or December 31, 1984) is given.

## THE PROCESSIONAL BANNERS

In the processional, student representatives will carry their School or College banners.

The banner colors identifying the candidate groups are as follows:

College and School of Agriculture.....	Brown and Maize
School of Allied Health Professions.....	Red
School of Business Administration.....	Drab Green
School of Dental Medicine.....	Lilac and Gold
School of Education.....	Light Blue
School of Engineering.....	Orange
Division of Extended and Continuing Education.....	Brown and Blue
School of Family Studies.....	Maroon
School of Fine Arts.....	Brown and Pink
The Graduate School	
Masters Candidates.....	Blue, White and Gold
Doctor of Philosophy.....	Gold
School of Law.....	Purple
College of Liberal Arts and Sciences.....	White and Yellow
School of Medicine.....	Green and Gold
School of Nursing.....	Apricot
School of Pharmacy.....	Green

## CAPS AND GOWNS

Academic caps and gowns represent a tradition which has come down from the universities of the Middle Ages. They were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. The early European universities were founded by the church; the students, being clerics, were obliged to wear prescribed gowns and caps at all times.

The usual color for gowns in America is black, though some universities are gradually adopting colors representative of their institution. Hoods are lined with the college colors and are trimmed with the color appropriate to the degree:

Agriculture.....	Maize	Medicine.....	Green
Arts, Letters, and Humanities.....	White	Music.....	Pink
Business.....	Drab	Nursing.....	Apricot
Dental Medicine.....	Lilac	Pharmacy.....	Olive Green
Education.....	Light Blue	Philosophy.....	Dark Blue
Engineering.....	Orange	Physical Education.....	Sage Green
Family Studies.....	Maroon	Public Health.....	Salmon Pink
Fine Arts.....	Brown	Science.....	Golden Yellow
Forestry.....	Russet	Social Work.....	Citron
Law.....	Purple	Theology.....	Scarlet

Caps are usually black. The tassel for the Bachelor of Arts, Science, and Engineering may be of the color distinctive of the degree, and the tassel for the Doctor of Philosophy may be made of gold thread.

At the University Commencement the University Marshal wears a ceremonial gown of blue and white. The School and College Marshals wear blue befeater caps.

## THE MACE

THE MACE, carried by Fred A. Cazal, Jr., Chairman of the Commencement Committee, is used at all occasions of academic ceremony. In medieval times maces were weapons of warfare, but today a mace is "a staff borne by, or carried before, a magistrate or other dignitary as an ensign of his authority." It is the emblem and symbol of the President's authority to administer the University.

This Mace was first used at the Inauguration of President Homer D. Babbidge, Jr., on October 20, 1962. Designed by Nathan Knobler, former head of the Department of Art, it is made of wood and carries the University seal on both faces, executed in beautiful carving. A penny dated 1881 is affixed to it.

## THE BATON

THE BATON, carried by the University Marshal, Professor Thomas A. Suits, was specifically designed for ceremonial activities at The University of Connecticut and was first used at the Commencement in 1968. The Office of Marshal can be traced back to the medieval period, and the Baton is a symbol of the Marshal's authority. He carries it as he leads the academic procession into and out of the place of ceremony.

This Baton has silver mountings and is surmounted by a representation of the University seal in enamel.

## THE MEDALLION

THE SILVER MEDALLION, worn by John A. DiBiaggio, President, was first used at the time of the University's Silver Anniversary. It hangs on a silver chain of special design, in which each link represents one of the University's Schools or Colleges. Each link consists of a cloisonné circle engraved with a design appropriate for the particular school and enamelled with the traditional school or college colors.

The audience is requested to remain seated, so that all may see the procession. The Mace will be presented at the center of the stage while all those marching are taking their places.
