COMMENCEMENT
1995

"This is a day of celebration. We celebrate your achievements as a student. We celebrate your determination to complete what you set out to do. We celebrate your success in joining the ranks of our alumni.

This is a day of endings. For most, it may be the end of your college career, and your days at UConn. For all, it is the start of something new.

This is a day of beginnings. It is the beginning of a new stage in your education. It is the beginning of your career. It is the beginning of your new responsibilities in our society.

On this day, with its celebrations, its endings, and its beginnings, I wish you the best for the future, and I hope that your years with the University of Connecticut will be a memory treasured forever."

COMMENCEMENT NOTES

COMMENCEMENT DAY at The University of Connecticut is a time of ceremony and pageantry, portions of which represent traditions dating back to medieval times. These notes on the history of the University and the commencement ceremony are offered in the hope that they will be of interest to spectators.

THE UNIVERSITY OF CONNECTICUT WAS FOUNDED as the Storrs Agricultural School in 1881 when the General Assembly accepted a gift of money and land from Charles and Augustus Storrs, natives of Mansfield. In 1893 when it became a land-grant college and officially opened to women, the name was changed to Storrs Agricultural College. As the mission of the institution changed, its name was changed in 1899 to Connecticut Agricultural College. In 1933 it became the Connecticut State College. It grew slowly becoming a small but vigorous college with limited undergraduate offerings in agriculture, home economics and mechanical arts. With the development of a university program it became The University of Connecticut in 1939. The first regional campuses were established in 1946 to deal with the influx of veteran students. Today, the University is made up of sixteen different schools and colleges. Through the various agencies of five Divisions and seven Institutes, including forty-nine Special Facilities, Programs, and Centers, the University is privileged to serve many State citizens. The Graduate program began in 1935, and in 1949 the University awarded its first doctoral degrees.

Enormous expansion has taken place over the years together with increased enrollment. Today, the University has an enrollment of over 23,580 students. At Storrs there are over 11,385 undergraduates and more than 4,500 graduate students, representing some eighty-five nations.

This year, the University will award over 4,747 degrees. Of these approximately 2,926 will be Bachelor's degrees, 1,150 Master's degrees, 210 Juris Doctor degrees, 10 Master of Laws degrees, 32 Doctor of Dental Medicine degrees, 82 Doctor of Medicine degrees and 280 Doctor of Philosophy degrees. Also to be awarded are 42 diplomas in Professional Education, and 12 Certificates in the two-year Ratcliffe Hicks School of Agriculture and 3 Associate's degrees.

THE COMMENCEMENT CEREMONY, because of the number of graduates, is divided into five separate exercises. The Schools of Dental Medicine and Medicine, located at the University's Health Center in Farmington, and the School of Law, located in Hartford, hold their own exercises. The Commencement procession in each of the three exercises at Storrs is heralded by the ceremonial trumpets which were obtained especially for the University commencement.

THE ACADEMIC PROCESSION begins with the heralding of the trumpeters announcing the arrival of the academic procession.* The Bearer of the Mace leads the procession. The University Marshal, identified by his Baton, leads the President, together with the speaker, the Board of Trustees, vice-presidents, deans, other University officials, and faculty. The Mace is presented at the center of the stage while those processing enter and take their places. Once the Mace is placed on the stand it signals the beginning of the ceremony.

*The audience is requested to REMAIN SEATED so that all may see the procession.

THE ACADEMIC GOWNS, HOODS AND REGALIA represent more than elegance or colorful attire. Academic caps and gowns represent a tradition which reaches far back into the early days of the oldest universities of the Middle Ages. The early European universities were founded by the church; the students, being clerics, were obliged to wear prescribed gowns and caps at all times. Caps and gowns were once common forms of clothing and were retained by the clergy when the laity adopted more modern dress. Though some universities here and abroad have other colors, the usual color for gowns in America is black. Hoods are lined with the official color of the college or university which conferred the degree. The velvet edging of the hood varies in length for bachelors, masters and doctoral degrees. The color represents the appropriate degree. Mortar boards (caps) are usually black. The tassel for the Bachelor of Arts, Science, and Engineering may be of color distinctive of the degree, and the tassel for the Doctor of Philosophy may be made of gold thread. The gown and hood of the University Marshal were made specifically for University ceremonies in the official colors of national flag blue and white. The Processional Marshals wear blue velvet "beefeater" berets; the School and College Marshals, who assist in conducting the ceremonies, wear blue Dutch caps.

THE MACE, carried by Keith Barker, Chairman of the Commencement Committee, is used at all academic ceremonies. In medieval times maces were weapons of warfare, but today a mace is "a staff borne by, or carried before, a magistrate or other dignitary as an ensign of his authority." It is the emblem and symbol of the President's authority to administer the University. This mace was first used at the Inauguration of President Homer D. Babbidge, Jr., on October 20, 1962. It was designed by Nathan Knobler, former head of the Department of Art. The University seal, executed in beautiful wood carving, appears on both faces. A penny dated 1881 is affixed to it to commemorate the date of the University's founding.

THE BATON, carried by the University Marshal, Professor Peter L. Halvorson, was specifically designed for ceremonial activities at The University of Connecticut and was first used at the Commencement in 1968. The Office of Marshal can be traced back to the medieval period, and the Baton is a symbol of the Marshal's authority. This Baton has silver mountings and is surmounted by a representation of the University seal in enamel, which itself incorporates the coat of arms of the State of Connecticut. The University Marshal, carrying the Baton, follows the Mace Bearer as he leads the academic procession into and out of the place of ceremony.

THE SILVER COLLAR/MEDALLION, worn by Harry J. Hartley, President, was first used in 1964, at the time of the University's Silver Anniversary. Each link on the collar represents one of the University's Schools or Colleges and consists of a cloissonné circle engraved with an appropriate design for the particular school and enameled with its traditional school or college colors. Hanging from the chain is a large silver medallion containing the University seal.

THE AWARDING OF DEGREES at The University of Connecticut is accomplished by a twofold process. First, the candidates for degrees of each respective school or college are presented by the University Marshal. The candidates proceed to the front, receive their diplomas, are congratulated by their administrative officers and return to their seats. The School or College Marshal then officially presents the candidates to the Dean who acknowledges the candidates and *declares* the appropriate degree. Second, when all candidates have been duly presented, the President of the University formally *confers* the appropriate degree. This is accomplished verbally at the time that he speaks the words:

"By virtue of the authority vested in me by the Trustees of The University of Connecticut, and in accordance with the procedures and regulations of the University, I confer upon you the Certificate, Associate's Degree, appropriate Bachelor's Degree, Master's Degree, Juris Doctor, Doctor of Dental Medicine, Doctor of Medicine, Doctor of Musical Arts, or Doctor of Philosophy for which you have been presented at this One Hundred and Twelfth Commencement of The University."

THE RECESSIONAL of the officials and faculty is once again led by the Mace Bearer and University Marshal. The graduates, along with the audience, are requested to remain seated until the recessional is concluded.

*Out of respect and courtesy to all graduates, participants and guests
are requested to remain in their seats until the ceremony has concluded.*

HONORARY DEGREE RECIPIENTS

BETTY ALLEN

Doctor of Fine Arts

Mezzo-soprano Betty Allen made her recital debut at New York's Town Hall in 1958, her opera debut at Teatro Colon, Buenos Aires, in 1964, and her Broadway debut in Scott Joplin's *Treemonisha* in 1975. A concert soloist and recitalist, she has made numerous appearances on the stage, television and radio, and has recorded with companies such as Deutsche Grammophon, Columbia Records, and RCA Victor. Her many awards and honors include the Marion Anderson Award and the Duke Ellington Memorial Award. A graduate of the Hartt School of Music in Hartford, she became executive director of the Harlem School of the Arts in 1979 and is now president emeritus.

MICHAEL BOLTON

Doctor of Fine Arts

Michael Bolton, winner of two Grammy Awards and six American Music Awards, has released seven albums for Columbia Records and sold 35 million albums worldwide. In 1992 he became the first artist to have separate records topping four different charts. He has written songs for Laura Branigan, the Pointer Sisters, Thelma Houston, Cher, Barbra Streisand, and Kenny Rogers. An avid baseball fan, Bolton has scheduled scores of charity softball games in conjunction with his concerts in recent years, and hosts an annual charity dinner in Connecticut to support cancer research.

A. LEON HIGGINBOTHAM, JR.

Doctor of Laws

Since his retirement from the U.S. Court of Appeals, A. Leon Higginbotham, Jr. has worked with the law firm of Paul, Weiss, Rifkind, Wharton & Garrison. He also is Public Service Professor of Jurisprudence at Harvard University. He was appointed a district court judge in 1964 and a court of appeals judge in 1977. Appointed by President Lyndon Johnson as vice chairman of the National Commission on the Causes and Prevention of Violence, he is the author of *In the Matter of Color: Race and the American Legal Process*. He has been an adjunct law professor at Yale and Stanford.

JULIE HARRIS

Doctor of Fine Arts

Julie Harris made her theatrical debut in 1945 in a Broadway production of *It's a Life*. She established her career in 1950 as a star in *The Member of the Wedding*, a role she repeated in her 1952 screen debut and for which she received an Academy Award nomination. The winner of several Tony and Emmy awards, Harris received a Tony and a Grammy in 1977 for her portrayal of poet Emily Dickinson in *The Belle of Amherst*. She has performed in numerous plays and movies, and is known to television audiences for many TV movies and her role in the dramatic series *Knot's Landing* from 1979 to 1987.

THOMAS M. SUTHERLAND

Doctor of Science

Thomas Sutherland was Dean of Agriculture and Food Sciences at American University in Beirut, Lebanon when he was taken hostage June 9, 1985. He was released November 18, 1991. Born in Scotland and a naturalized U.S. citizen, Sutherland taught at Colorado State University (CSU) from 1958 to 1983. At CSU he received many honors as an outstanding teacher and he has been a Danforth Associate since 1968. He received his B.S. at Glasgow University, and an M.S. and Ph.D. at Iowa State University. Since 1991 he has served as a consultant on international affairs and agriculture.

EDWARD O. WILSON

Doctor of Science

Edward O. Wilson has won two Pulitzer Prizes for his non-fiction writing: in 1979 for *On Human Nature*, and 1991 for *The Ants*. His contributions to science through his writing and research have been recognized with numerous awards, such as the National Medal of Science, the Crafoord Prize from the Royal Swedish Academy of Sciences, and the International Prize for Biology from the government of Japan. A member of the Harvard faculty for three decades, he was the Frank B. Baird, Jr. Professor of Science from 1976 to 1994, Mellon Professor of the Sciences from 1990 to 1993, and currently is Pelligrino University Professor.

ACADEMIC HONORS

University Scholar

The University Scholar designation is the highest scholastic honor at the University. The individualized undergraduate programs of these students, which in some cases include work toward a graduate degree, are supervised by faculty committees. In this graduating class twenty-one students were named University Scholars in the junior year.

Honors Scholar

Honors Scholars are outstanding students who complete intensive two- to four-year programs, including honors courses of unusual breadth and depth. Honors requirements include a senior thesis or comprehensive examination in the major field.

With Distinction

"With Distinction" is the University's designation for degrees earned by students who give evidence of significant achievement in their major fields.

The names in this program do not constitute an official list. The students whose names are listed herein were considered candidates for the degree indicated when the program was printed, except where a prior date of graduation (August 31 or December 31, 1994) is given.

THE GRADUATE SCHOOL DOCTOR OF PHILOSOPHY

The parenthetical indication of a conferral date following a degree recipient's name signifies confirmed completion of degree requirements. If no conferral date is indicated, completion of degree requirements could not be confirmed at press time. Conferral of a degree is contingent upon verification by The Graduate School that a student has completed all requirements.
