THE CONNECTICUT CAMPUS

WELCOME TO ALUMNI AND VISITORS

VOL. IX

STORRS, CONNECTICUT, THURSDAY, JUNE 7, 1923

NO. 31

LEWIS C. RICHARDSON TO HEAD STUDENT ORG.

PROMINENT MEMBER
OF CLASS OF 1924

Other Officers Elected—Leon Kaplan, First Vice-President.—Harold McCarthy Second Vice-President—Reginald Putnam, Secretary-Treasurer

Lewis C. Richardson was elected president of the Student Organization for the coming year at the last regular meeting of the organization held in Hawley Armory last Monday evening. Leon Kaplan, '24, was chosen first vice-president, Harold McCarthy, '25, second vice-president, and Reginald Putnam, '26, secretary-treasurer.

Richardson, since coming to Connecticut, has been one of the most active men on the Hill. He is editor-in-chief of the 1923 Nutmeg, a member of the news board of the "Connecticut Campus," secretary of the Mediator, member of the Gamma Chi Epsilon Honorary Fraternity, and is prominent in dramatics. He is a member of the honorary dramatic fraternity.

The pig roast held this year revealed some flaws in the regulations governing the same; so the following changes in the rules were adopted:

1. Freshman rule relative to wearing freshman cap to be suspended during period of pig roast.

2. No clothing to be taken away by members of either class.

3. A freshman shall be counted as present once for each twenty-four hour period he is held over the first twenty-four hours.

F. W. Metzger reported that nothing definite had been done on the plans for the Military Hop, so the matter was tabled until next year. President Weinstein called attention to the deplorable condition around Koons Hall and Storrs Hall, and he urged everyone to refrain from throwing rubbish out of the windows.

COMMENCEMENT PLAY TO BE GREAT ATTRACTION

Rehearsals Progressing Favorably on
Eugene O'Neill's Tragedy

Eugene O'Neill's "Beyond the Horizon" has been chosen by the Dramatic Club for the Commencement play. According to Coach Michael J. Farrell, this play is one of the best which the club has ever staged at C. A. C. Eugene O'Neill is at present recognized as the greatest American dramatist, and his plays are receiving much attention both in America and Europe. "Beyond the Horizon" is ranked as one of the best of this

SIXTY-ONE TO RECEIVE DEGREES AT FORTIETH COMMENCEMENT SATURDAY

EXTENSIVE PROGRAM FOR THE WEEK
ARRANGED BY THE CLASS OF 1923

Tea Dance on Thursday Afternoon to Open Festivities.—Academic Procession to Form at 10:15 Saturday Morning.—Address by Dr. Samuel McCord Crothers of Cambridge.

Connecticut will observe its fortieth Commencement program on Friday and Saturday of this week, at which degrees will be awarded to sixty-one candidates. The program, arranged by the faculty and senior committees, of which Dr. E. W. Sinnott and B. S. Juralewicz are the respective chairmen, presents a week-end of activities to seniors, alumni, and the college.

The week opens with a senior tea dance in Hawley Armory on Thursday afternoon at 3:30 p.m. Music will be furnished by the Peerless Orchestra.

On Friday afternoon will begin the actual Commencement program with the class day exercises in Hawley Armory at 2:30 p.m. James J. Mullane, chairman of the committee on class day, announces the following program:

Class History Gertrude Morey
Class Poem:

Composed by Allan P. Bates

Four Master of Science and fifty-seven Bachelor of Science degrees will be awarded at Connecticut's fortieth Commencement exercises in Hawley Armory next Saturday morning at 10:30 a.m. Those who will receive degrees are:

TRUSTEES TO NAME COACH ON JUNE 20

LOUIS ALEXANDER MAY
BE FRESHMAN DIRECTOR

Sumner A. Dole, Edward Sherlock and Rollin Bevin Head List of Applicants.—Thirty Candidates for Position.

At the meeting of the Board of Trustees of the College, to be held on June 20, the coaches for the Varsity and Freshman teams at Connecticut next year will be chosen. About thirty applications for the position of head coach have been received. While the names and credentials of all candidates will be turned over to the Board, the Athletic Council has recommended three applicants, indicating first, second and third choice.

The first on the list is Sumner A. Dole, at present the New Haven County Agent. Dole was the best football center ever developed at Mass. Aggie, and has had some coaching experience. Since his graduation in 1915, he has coached three sports, football, basketball and baseball at Montpelier, Vermont, High School, has been in charge of the basketball team at Mass Aggie for one season, and each year he aids "Kid" Gore in whipping the football team of the Bay State Farmers into shape.

The second choice, Edward "Skip" Sherlock, is a Harvard man, and has acted as coach and referee of football for the last twenty years. While his specialty is football he can also handle baseball and track. In recent years he has coached athletic teams at Mercersburg Academy, Rindge Technical, and Commerce High Schools of Boston.

The third candidate to receive the approval of the Athletic Council is Rollin Bevin, a Bucknell man, who has been characterized by Fielding Yost of Michigan University as one of the "coming young coaches of the day." Bevin has turned out championship teams in football, basketball and baseball at Steele High School, Dayton, O.

Among those considered for the position were two Penn State men, Barron, who is now coaching at Michigan Aggies, and Lerner Conover, who holds a similar position at the University of Georgia. Applications were also received from Graham, a Springfield man, and "Joe" Guyon of Carlisle and Georgia Tech., who ranks as one of the greatest Indian halfbacks of all times.

"Bill" Dudack, a four letter man at Georgetown, and one of the greatest athletes ever turned out at the Washington college, has been highly recommended by "Dick" Dillon and

AGGIE BALL TOSSERS WIN FIVE DURING SEASON

SEVEN MEN WILL BE LOST BY GRADUATION

Trinity, Springfield, Rhode Island, Clark and Coast Guard Fall Before Connecticut Attack.

Great things were expected from the team this spring. Starting the year with nine veterans of previous campaigns, together with several likely looking youngsters, the outlook for a successful season was very promising. The first game with Harvard was lost 6 to 5, after a hard fought

RALPH D. BRUNDAGE
Captain of 1923 Varsity

battle. Laubscher showed good form in the box, and the team displayed real batting strength, a rare quality for an Aggie nine. Clark was taken into camp on the home diamond, following which two games were dropped to Brown and B. U. Connecticut had little difficulty with the Coast Guard team snowing them under by a 20 to 1 score.

Lose Close Games

Two close games were lost, one to Tufts, who had just defeated Yale, by the count of 7 to 6, the other to Rhode Island, 5 to 4. The locals took revenge on the rivals from "Little Rhody," however, beating them before a big crowd of Junior Week guests. The trip to Worcester was rather unpleasant, Holy Cross enjoying a field day at the expense of the three Aggie twirlers. The other teams to lower the colors of the Blue and White were Springfield, Colby, which presented one of the best teams seen here in years, and Northeastern.

(Cont. on page 3 col. 2)

BLUE AND WHITE DEFEATS SPRINGFIELD IN FINAL COLLEGIATE GAME OF SEASON 8-3

AGGIES PLAY BEST GAME SEEN ON HOME LOT THIS YEAR AND ARE NEVER HEADED BY DIRECTORS

White Leads Nutmeg Clouters With Three Bingles.—Alexander and Ganem Have Big Day in Field

In the best game seen on the home field this year, Connecticut, displaying a superior brand of ball throughout, decisively defeated Springfield College by an 8 to 3 score.

Advance dope on the game favored the physical directors by a wide margin, but the Aggies upset the dope by gathering three runs in the first frame and then keeping the lead throughout the game. Both teams made seven hits, but Connecticut with two doubles and two triples at the right time, was able to send more men across the plate.

"Gramp" White started on the mound for Connecticut, but was shifted to right field in favor of Laubscher in the seventh inning. The Maine boy pitched a good game, keeping the Springfield team down to six scattered hits, and at the same time gathering a triple, a double and a single for himself.

Alexander and Ganem turned in some pretty work in the infield. "Lou" got five put-outs and three assists, and Ganem annexed three put-outs and six assists.

The Aggies started off in the first inning, when two hits, two sacrifices, and errors by Springfield netted them three runs. The physical directors worked hard to overcome this lead, but the nearest they came to it was in the third inning, when they tallied twice. This only served to spur the Aggies on, however, and they drove in another run in the fourth inning, followed by two more in the fifth. Springfield made another run in the sixth frame, making their total three for the game, but never threatened to overcome the Aggie lead.

HOLY CROSS EASILY DEFEATS AGGIES

Holy Cross had a field day against Connecticut at Worcester, scoring 21 runs, and holding the Aggies without a single tally. Laubscher, who started in the box for the Aggies was found continually by the purple batters, who got eighteen hits and nineteen runs off his delivery in the five and one-third innings that he pitched. White relieved Laubscher in the sixth inning and held the Worcester batters to two hits and a like number of runs.

The game between the sophs and the Faculty ended in an 8—8 tie.

TRACK TEAM FINISHES WITH CLEAN SLATE

COACH DALY'S MEN WIN THREE MEETS

Gather 219 Points to Opponents 154—Jacoby High Scorer for the Blue and White—Much Credit Due to Coach Daley.

The Connecticut track team has completed its third season and has again proved its ability under the expert guidance of Coach "Steve" Daley by finishing with a clean slate for outdoor meets. Rhode Island, Massachusetts Aggie and the United States Coast Guard Academy have fallen before the Blue and White Tracksters and the Aggies also captured seventh place at the Eastern Intercollegiate at Springfield.

Track has been an active sport at Connecticut for only three years but in this short time the team has met with only one defeat, and that when the sport was barely under way. This year the Bay State Aggies were beaten 68-58, Rhode Island 70-65 and the Coast Guard Academy overwhelmed by the count of 81-31.

(Cont. on page 3 col. 1)

PAUL L. STEERE
Track Captain

FOOTBALL PRACTICE

All men desiring to try out for positions on the varsity will report at College on September 11.

Per Order of
Martin L. O'Neil,
Captain of Football.

OVER THE FENCE

The Aggies haven't had such a bad season after all when you compare their record with several of our leading rivals, for example, Trinity and Mass. Aggie. The Hartford team did not win a single contest this year, but tied one, while Mass. Aggie won one game, and that from Trinity.

CCCC

The baseball team is to be complimented on beating several of our rivals on the diamond that we haven't beaten in years in baseball. Rhode Island has had the habit of beating Connecticut in baseball, and this year is the first time that the Class of 1923 ever helped to defeat the Kingstonsians on the diamond.

CCCC

Springfield is another opponent that Connecticut has failed to beat before on the diamond.

CCCC

This year's team has been the hardest socking team that ever wore the Connecticut uniform. They sure have hit the ball.

CCCC

There sure were some pretty hits in the Springfield game. Those triples of Makofski and "Gramp" White were pretty clouts. White very nearly added another homer to his record, but was caught at home after driving two runs across the platter.

(Cont. from page 2 col. 4)

Every man on the team has performed creditably but the outstanding figures of the year were Jacoby, star distance man, Captain Steere in the mile and half-mile, Johnson in the hurdles, Dossin in the pole vault, and Slyz, Quigley and Cleland in the dashes. Other point winners for Connecticut were Velhage, Ashman, Barry, Squires, Hankwitz, Stocking, Wardle, Mills, MacAllister, Lawson and Purple.

COACH "STEVE" DALEY
Aggie Track Mentor

Several men will be lost by graduation this year, among them Captain Paul Steere, Carl Dossin, Elmore Ashman and Russell Mills. While the loss of these men will be keenly felt, there will be a number of letter men who will return next year and will form the nucleus for the new team.

VARSITY PLAYS ALUMNI SATURDAY AFTERNOON

Grads Expect to Present Heavy Line-up in Hopes of Trimming "Youngsters."

The final contest of the year will take place on Gardner Dow Field Saturday afternoon when the varsity will cross bats with a team composed of Alumni who have gathered all the prominent ball tossers of past years in an endeavor to take the undergrads into camp.

Included in the array are "Kuk" Johnson, "Bennie" Brow, "Snipper" Mahoney, "Sam" Putnam, and many other celebrities too numerous to mention. With such opposition to contend with there is no doubt that the present upholders of the Aggie banner will have to travel fast and hard in order to annex the bacon.

The grads expect to have several hundred loyal rooters on the field of action and will have a cheering section of their own, lead by their leaders and intend to show the "students" how real Connecticut men should support their teams.

The contest will be called to order at two-thirty, standard time, by A. Morin of Rockville.

(Cont. from page 2 col. 1)

Trinity Defeated 8-6

Connecticut continued her winning ways against Trinity, emerging the victor in a loosely played game in the capitol city. The victory over Springfield marked the fifth win of the season out of 13 starts, the games scheduled with Wesleyan and New Hampshire being called off because of inclement weather.

Team Hits Well

The redeeming feature of the team's playing was the hitting. Enough hits were made to win ball games, but loose work in the field and weakness in the box lost many games that might be chalked up on the right side of the ledger. White as a pitcher showed up well in a few games and when not in the box, patrolled the right garden. He made the only home run of the year, his hitting being one of the bright spots of the season. Laubscher failed to live up to his early promise, while Lord never really got started.

Seven to Graduate

The team will be hard hit by graduation. Alexander, Laubscher, Metelli, Lord, Baxter, Mullane and Captain Brundage have played their last games for Connecticut, and their places will be hard to fill. Available for duty next year will be "Petey" Balock, catcher; Wells, who showed up well on the mound in the Coast Guard game; Ganem, Fitzgerald and O'Brien, infielders; and Makofski, White and Radomski, in the outfield. Among the class team players who show promise are Grady, Ende, Nelson, Purple, Mehaffey, Wardle and Metzger.

In addition there are a number of promising men who should develop into varsity calibre under the careful training of the Aggie track mentor, "Steve" Daley.

**CLEAN CAMPUS FOR
COMMENCEMENT**

This week Commencement will bring its throngs of alumni and visitors to the Hill for the final events in the history of the Class of 1923. At this time of the year the Campus, always picturesque, is in its most beautiful garb and presents a most attractive appearance. Many times, however, the natural beauty is destroyed by the presence of unsightly papers and other rubbish which has carelessly been thrown on the grass by some passer-by or hurled from one of the windows of the several buildings. There are several days left in which to get the habit of throwing papers and the like where they belong and thus have our campus in the best possible condition to greet the visitors.

TENNIS

One of the most popular sports at Connecticut is tennis, and altho the Blue and White is represented by no team, the pastime is enjoyed by a large number of the undergraduates and faculty. This has been true during the past season more than any other year for the courts are crowded from early morning until late at night. So many desire to play that at certain times during the day, it is almost impossible to acquire a place on the courts.

At present there are three courts in condition and all are receiving their share of use. Obviously there is a need for more playing space for tennis on the Hill. However, one of the chief objections to building additional courts is that they would receive no use during the summer and would consequently deteriorate and become of little value.

Since there is little prospect of more courts being constructed, it would be well if there were certain rules drawn up as to the number of times a person can use a court during the week, and how long a court may be used by one party. If such rules were formulated there could also be inaugurated a system of signing up for the various courts which would in turn eliminate long and tedious waits while looking for a chance to play. Naturally, the season is almost over for the students until fall, but if some such system was arranged now, it could be put into practice when the college reopens in September.

VACATION

In a short time vacation will be at hand and the four hundred students on the Hill will be scattered all over New England with some going further to spend the summer. There will be new and varied experiences for the majority and new acquaintances made. In addition, there will be the exchange of ideas, both personal and pertaining to the college. Oftentimes one hears much concerning other institutions and at the same time is able to impart some information concerning Connecticut. Grab the good ideas, and if they are applicable, bring them back in the fall and see if they can not aid in imparting something to life on the Hill. However, in doing so, do not fail to tell of Connecticut and thus give our Alma Mater the publicity which she needs. Connecticut is comparatively a young college and is little known in many localities. If everyone does his or her share the

**THOMPSON NEW PRESIDENT
OF BRUSH AND SCROLL**

**Five Other Officers Elected for Next
Year**

At the regular meeting of the Brush and Scroll held last Thursday, officers for the coming year and new members were elected. Reports of committees and officers for the past year were given.

William O. Thomson, '25, was chosen to succeed Eli I. Collins, '25, as president of the club for next year, after the latter had declined a second term. Thomson has been a member of the business department during the past year.

Miss Marjorie A. Hills, '26 was elected vice-president. Miss Hills has aided the work of the club during the past year in the art department, of which she was director.

Joseph H. Davidson, '26, became secretary. Davidson made the club this year and has been connected with the business department.

Herman Katz, '25, was chosen treasurer of the club for the coming year. Katz has been active in the art department during the past year.

Alexander Marcus, '25, will head the art department for the ensuing year as director. Donald W. Tucker, '25, was elected business director. Tucker was secretary and treasurer of the club last year and with Collins was one of the two original members.

New members elected to the organization were: Miss Isabella Moddell, '24 and Miss Catherine Manchester, '25, both to the art department.

Under the leadership of E. I. Collins the club has been very successful. It has been a great help to the various activities on the Hill during the past year. By getting out posters for games and other social events, and printed matter for the various student activities, the club has been of great service both to the college and its activities. Brush and Scroll has had a rapid growth, only being organized last year as the Advertising Club by Samuel Kostolefsky, '22, for it now has fourteen active members.

Seven members of the advanced course in military science will leave for Camp Devens, at Ayer, Massachusetts, on July 15 to spend a period of six weeks in military work.

time will soon come when Connecticut will stand in her rightful place and her history and activities will be common knowledge.

LEWIS C. RICHARDSON
Heads Student Organization

**LARGE ENTERING CLASS
EXPECTED NEXT FALL**

**Many New Courses Added to College
Curriculum. — Forestry Division
Formed.**

The new Class of '27 is expected to be a large one as Mr. Torrey has already received fifty-nine applications for admittance to the college. Although the greatest number of students send in their applications in the summer it is almost impossible to estimate the number of new students that are coming to this college. Mr. Torrey states that indications show that the new class will be as large or even larger than the present Freshman class.

Many new important courses have been added to the college curriculum and the division of Home Economics has received many changes. Some of the old courses were replaced by new ones of more scientific value and these additions will no doubt attract many co-eds to the Hill.

Four new Forestry courses have been added. This division has been waiting a long time for development, and has now received its first push forward. This is a new growing field with great opportunities, and is creating great interest among students.

THOMAS F. DONAHUE
President of A. A.

TO THE CLASS OF 1923

As the week passes, the Class of 1923 will become alumni and go out from Connecticut into the world. The members of the class may look with pride upon their accomplishments while at Connecticut for it is safe to say that they have contributed as much, if not more, to the welfare of the college than any other group. The present seniors have furnished more athletes than any other class and have had a large percentage of men actively engaged in organizations on the Hill. The undergraduates of Connecticut take this means of expressing their appreciation for the services rendered to them, and to the college, by the graduating class and wishing its members the best possible good fortune in the years to come.

MANY COURSES PLANNED FOR COMING SUMMER

School of Home Economics July 5—August 10

When vacation begins and our sojourn for the year ends, the work of the college still continues. Many do not realize the importance of the college as a meeting place for all kinds of organizations of the state.

Besides the establishment of a summer school in home economics and the regular summer poultry course, Professor R. E. Dodge has thus far outlined the following:

June 12—Women's Club of Willimantic, Field Day.

June 19-21. Conference of Smith-Hughes Teachers of Home Economics.

June 25-30. Conference of Smith-Hughes Teachers of Agriculture.

July 11-12. Second Annual Conference of Fertilizer Dealers.

July 17-18. Fourth Annual Conference of Feed Dealers and Merchants.

July 19. Field Day of Rotary Clubs of Eastern Connecticut.

July 27-28. Conference of Seedsmen of State.

July 30-Aug. 3. Farmers' Week.

Aug. 4-11. Junior Short Course.

July 5-Aug. 10. Summer School in Home Economics.

July 9-13. Summer Poultry Course.

The purpose of the summer school in Home Economics is to offer teachers in service an opportunity to continue their studies in the technical fields of Home Economics; and to give students in training in normal schools and colleges an opportunity to shorten the period devoted to professional training in these fields.

author's works. Whereas it is somewhat of a departure from previous practice for the Dramatic Club to attempt a tragedy, the addition of new talent to the club, combined with several new improvements on the stage, has made the plan feasible this year. The rehearsals are showing promise of an excellent performance.

The cast of the play is as follows:

James Mayo, a farmer
Thomas F. Donahue

Kate Mayo, his wife
Marie L. Bronson

Captain Dick Scott, of the Bark Sands,
her brother Martin I. O'Neill

Andrew Mayo Donald B. Bassett

Robert Mayo Geo. V. Hilldring
(Sons of James Mayo)

Ruth Atkins Laura Kittner

Mrs. Atkins, her widowed mother
Pauline M. Girard

Ben, a farm hand Geo. I. Sneiderman

Doctor Fawcett, Lawrence B. Parker

**James II is Dead—
NEWTON Lives**

IT has always been known that free bodies fall. The earth has a strange attraction. How far does it extend? No one knew before Newton, sitting in his garden, one day in 1665, began to speculate.

"Why should not the attraction of gravitation reach as far as the moon?" he asked himself. "And if so, perhaps she is retained in her orbit thereby." He began the calculation, but overwhelmed by the stupendous result that he foresaw, he had to beg a friend to complete it.

In Newton's *Principia* were laid down his famous laws of motion—the basis of all modern engineering. The universe was proved to be a huge mechanism, the parts of which are held together in accordance with the great law of gravitation.

James II was reigning when

the *Principia* appeared in 1687. He is remembered for the Bloody Assizes of Jeffreys, for his complete disregard of constitutional liberties, for his secret compacts with Louis XIV and the huge bribes that he took from that monarch, and for the revolution that cost him his crown; Newton is remembered because he created a new world of thought, because he enabled scientists and engineers who came after him to grapple more effectively with the forces of nature.

When, for instance, the Research Laboratories of the General Electric Company determine the stresses set up in a steam turbine by the enormous centrifugal forces generated as the rotor spins, they practically apply Newton's laws in reaching conclusions that are of the utmost value to the designing engineer.

CLASS IN MODERN DRAMA GIVES PLAY AT CHAPLIN

"How She Lied to Her Husband" is Presented in Open Air Theatre with Great Success.

At a Pomona Grange meeting held at Chaplin Saturday, May 25th, Dr. Seckerson's class in modern drama presented the same play which was presented here at the All-College entertainment, "How She Lied to Her Husband." Mr. Wheeler, in charge of the program, arranged for the presentation and secured Dr. Gumbart to speak on "Italy."

This is the first step taken in the Little Theatre movement, which is certain to meet with success. As there

were no facilities indoors, it was necessary to present the play in a summer house on an estate. Furnishings were borrowed and a canvas tent was put up as a background for the improvised stage. The audience sat on benches on the slope of a hill and there were about two hundred people present.

Altho those participating in the play were at a disadvantage, the audience was very enthusiastic and seemed to appreciate their work.

**STUDENTS WANTED FOR THE
LITTLE THEATRE MOVEMENT**

Professor Seckerson is requesting all students who wish to get into the "Little Theatre" movement to enroll next fall in his Modern Drama class; which will be to a large extent a training school for "Little Theatre" work. As now planned the course will be given during the first semester yearly, and carries three credits. The hours of class meeting are Monday, Wednesday and Friday, at 10.

Sophomores, in particular, when making out their election papers now, are urged to take the course either in junior or senior year. If enough students elect the work next fall, but cannot schedule it, it may be possible to have the hours changed. At any rate, give your name to Prof. Seckerson, talk it over, and tell him where you stand in regard to the movement.

**SCHNIERER NEW HEAD OF
LOCAL DEBATING CLUB**

**RIVKIN IS ELECTED NEXT
VICE-PRESIDENT OF CLUB**

Collins, Secretary-Treasurer. D'Esopo is Manager of Intercollegiate Debate.

At the regular meeting of the debating club held Wednesday night officers were elected for the ensuing year, and the treasurer's report on business for the year was accepted.

S. Benjamin Schnierer, '24, was elected president of the club for 1923-24. Schnierer participated in the triangular debate this year as an alternate on the team against Mass. Aggie.

Joseph Rivkin, '25, was chosen vice-president for next year. Rivkin has been one of the hardest workers for the future of the club, debating against Rhode Island last year and against North Dakota in the first debate of the year. Rivkin is also a member of Alpha Lambda Alpha, the local honorary debating fraternity.

Eli I. Collins, '25, was re-elected secretary and treasurer of the club. Collins has been active in the Club during both his freshman and sophomore years, participating in the debate against Mass. Aggie and in the Springfield debate. He is a member of Alpha Lambda Alpha.

Oscar D'Esopo, '25 was chosen manager of intercollegiate debate for next year. This is a new office created after a short discussion, and will remove from the president's hands the extra work of arranging the business details for debates. D'Esopo took part in both the Springfield and Mass. Aggie debates this year. He is an eligible candidate for membership in the honorary fraternity.

Dr. H. K. Denlinger gave a short talk, commending the club on its good work this year, and commenting on the good showing of the class teams at President's Hour. He said, "There is no doubt but that the Interclass debate will be a tradition, judging from the manner in which the student body accepted the debate." A bronze tablet with the names of the members of the teams and "No decision" will be placed in the Library next year by Alpha Lambda Alpha.

The "Campus" wishes a very enjoyable vacation to all.

**GLEE CLUB ELECTS
FOR COMING YEAR**

Harold W. Baldwin, '24, was elected president of the Men's Glee Club at a business meeting of the club last week. Other officers elected were vice-president, Oscar D'Esopo, '25; secretary-treasurer, William F. O'Brien, '25; manager, Allan C. Hitchkiss, '24.

Seven men will be lost through graduation this June. These men will have to be replaced by men from the present freshman and sophomore classes, and from next year's freshman class. Men interested in glee club work should present their names for try-outs next fall.

**FOOTBALL MEN TO REPORT
ON SEPTEMBER 11**

In an announcement recently given to the "Campus", Martin L. O'Neil, football captain, stated that practice for football men would begin one week before the opening of college next fall which sets the date for the return of the pigskin chasers as September 11.

As no freshmen will be available for the varsity Captain O'Neil expressed the desire that as many men as possible would return early in order to get as much practice as possible before the opening game. It is expected that the new coach will be on hand to direct the squad and that practice for the freshmen will start shortly after.

**JUNIORS AND SENIORS
ELECT FOR SENATE**

Six Men from '24 and Four from '23 Chosen.—L. C. Richardson Elected President.

During the past week elections were held by the present junior and sophomore classes for the men who are to represent the college on the Senate. This body is composed of six seniors and four juniors and the men elected were: From the class of 1924, Frederick W. Metzger, Markham N. Purple, Harold W. Baldwin, Lewis C. Richardson, Timothy F. Cronin and Russell A. Palen; from the present sophomore class, Clemens J. Diemand, D. Leslie MacAllister, William F. O'Brien and Valdemar Johnson.

At a meeting of the Senate, at which both new and old members were present the following officers were elected for the coming year, President, Lewis C. Richardson; Secretary, D. Leslie MacAllister.

ACROSS THE ROAD

The Co-ed's Farewell

TENNIS TOURNAMENT— JUNIORS VS. SOPHS.

The first tennis tournament of the season was played between the juniors and sophomores on Memorial Day. The juniors were the victors in three groups of singles and in the one group of doubles, which gave them five points. The fourth group of singles has not been completed, and until it is, the score in points cannot be reckoned. However, the honors of the match go to the juniors, since they have obtained five points, and the sophomores none thus far.

The opposing sides were selected and played as follows.

Singles	
Juniors	Sophomores
Moddell	Cooke
Hall	Graf
Hamilton	Clark
Ferriss	Slanetz

Doubles	
Juniors	Sophomores
Moddell and Ferriss	Cooke and Graf

The next tournament will be played between the sophomores and freshmen.

W. S. G. A. ELECTIONS

At a meeting of the co-eds in the Holcomb Hall assembly room on June 1, elections were made for the 1923-1924 Woman's Student Government. As in previous years, nominations for the president were drawn from the present junior class, for the vice-president from the present sophomore class, and for the secretary-treasurer from the present freshman class. Accordingly, Marion Eggleston, Elizabeth Hamilton and Margaret Hall were nominated for the presidency; Marion Eggleston was elected. Laura Kittner, Christine McMenemy and Irene Cooke were nominated for the vice-presidency; Laura Kittner was elected. Doris Barton, Margaret Hutton and Elizabeth Service were nominated for the secretary-treasurership; Doris Barton was elected. Miss M. G. Lundburg was made faculty advisor.

SOPHOMORE BASE- BALL PICTURES

True, the sophomore co-eds may be responsible for Mr. Guyer's limp and Hazel Clark's mean swing and Alice Hubbard's dislocated thumb, but it is not every baseball team that has its picture taken in action. On Monday, May 29, Mr. J. Manter was present at the nine o'clock section of the Physical Ed. Class and altho the team was a little under the weather, he managed to capture Laura Kittner's sensational fly catch, Cora Lavalee's famous one base hit, and a few other equally thrilling episodes. The finished pictures will be sold to anyone who cares to buy them. Apply to Mr. Manter.

MAY DAY FESTIVAL

May was given honorable recognition on Saturday afternoon, May 25, when the co-eds presented their May Day festival on the campus, directly opposite Holcomb Hall. The spectators had a wide choice of seats, some sitting in their cars along the road but the majority on the grass.

At four o'clock the doors of Holcomb Hall opened and a royal train led by Anne Flanagan, posing as the court jester, marched out onto the campus. Elnora Fisher next in the procession, as court herald, was followed by the dancers in costumes of many colors. Natalie Hallock, chosen from the Senior class, appeared as Queen of the May and was in led in state to her flowery throne. Arline Farrell and Robert Davis held her train while Virginia Baker bore the royal crown. The ladies-in-waiting, members of the Glee Club, followed in long white Grecian gowns.

After her coronation the Queen welcomed the visitors and ordered on the entertainment which was made up of several aesthetic dances, and songs by the Glee Club. The May pole dance, which closed the festivities, represented our Alma Mater one hundred per cent with its color scheme of blue and white.

HORT LUNCHEON

About thirty-five students attended the luncheon given by the Horticulture faculty last Thursday evening. The tables were artistically decorated by the floriculture department with snapdragons and iris. The luncheon included steak, french fries and home made cake with ice cream.

Prof. Stevens acted as toastmaster and called on the other Professors and the members of the senior class for impromptu. The speeches lasted until nine o'clock and the affair was closed with a regular Connecticut for the Horticulture faculty.

MAY DAY

That the May Day exercises which took place on the front campus the afternoon of the 25th of May, were a success is very evident from the comments of the spectators. The event holds second place in the history of the college, but it is very probable that in the future it will be established as an annual entertainment. Tho a good deal of credit must be given to the participants for their faithful practicing and final presentation, the committee which consisted of Laura Kittner, Gertrude Morey, Florence Teeter and Louise Benn, together with Mrs. M. J. Farrell and Mr. R. G. Guyer, actually pushed the festival to the front and deserve favorable comment for their work.

LAWRENCE PARKER '24 TO HEAD DRAMATIC CLUB

Lawrence Parker, '24, was elected president for next year at the last regular meeting of the Dramatic Club held on May 29. Mr. Parker has been actively interested in the club's work since he became a member.

Other officers chosen were Laura Kitner, '24, vice-president and William O'Brien, '25, secretary-treasurer. Roland Bamford was unanimously elected stage manager. It was voted by the club to accept those men trying out for assistant managership as members of the business board.

The seniors, stenographers and faculty were entertained in the Armory on June 1 at an informal affair given by President and Mrs. Beach. The reception is given annually in honor of the senior class. The guests enjoyed dancing and refreshments. Music was played by the Peerless Orchestra.

(Cont. from page 1 col. 4)

other men prominent in athletic circles in Connecticut.

"Louie" Alexander has been recommended to the Board of Trustees as freshman coach. "Louie" needs no introduction to followers of Aggie sports. He is a three letter man, was captain of the championship basketball team of a year ago, has been selected as all-New England forward, and has done more than any other man to put Connecticut on the sporting map. "Alec" will have the respect and support of the entire body and will undoubtedly make good. Altho rather young for a coach, he has a thorough understanding of football, basketball and baseball and is able to handle men.

(Cont. from page 1 col. 3)

nities will hold reunions in their rooms or houses. At 8:00 p.m. the Dramatic Club will present the Commencement play, "Beyond the Horizon," by Eugene O'Neil.

At 10:15 a.m. Saturday morning the Academic Procession will form in front of the Main Building, from which it will march to the Armory for the Commencement exercises. Dr. Samuel McCord Crothers of Cambridge, Mass., will deliver the Commencement Address.

At noon the Alumni will meet at the College Dining Hall for the annual alumni luncheon, to be followed by a business meeting scheduled for 1:15 p.m. The varsity and alumni will cross willows on Gardner Dow Field at 3:30 p.m. for the final baseball game of the season. The alumni barbecue will take place at 6:00 p.m.

The week closes with a concert in Hawley Armory at 8:00 p.m. The entertainment will be furnished by various college activities, including the Men's Glee Club and a cast from the Modern Drama class which will present the one act play "Sham" by Frank G. Tompkins. Dancing will follow the program with music furnished by the Peerless Orchestra.

OUR EASY PAYMENT PLAN IS GOING BIG

There's lots of young fellows like yourself that long to get out on the open road with a motor cycle and enjoy big days of this regular out door sport.

COST? Less than that of an average show. Some of these fellows have investigated our easy pay-as-you-ride plan on new and rebuilt motorcycles. As soon as we told them how easy it was for them to own a motorcycle on this plan, it didn't take them long to pick out their motorcycle.

Come on over tonight. Here in this big stock of ours is your motorcycle. You can select your machine and begin to ride this week.
