10. The President submitted to the Board for its approval architect's plans for a Catholic Chapel, rectory, garage and parking facilities which the St. Thomas Aquinas Chapel Corporation has proposed shall be built upon property of the State of Connecticut located near the college campus on the north side of the North Eagleville Road, which the State by Legislative Act No. 352f of 1941 authorized the Trustees of the University to set aside as building sites for religious groups in the Town of Mansfield.
